understand, agree and accept [to the extent permitted by law] the following:

I will be entering a back of house area which involves a degree of unpredictability with vehicles and a variety of materials and equipment potentially being present and, therefore, a risk of injury occurring. I have been given the opportunity to personally discuss with Sea World staff the potential dangers or concerns I have relating to the Program or signing this document;

I am aware that photographs are not permitted in back of house areas at Sea World.

I will be responsible for my own sun protection and will wear fully enclosed shoes for the Program.

I will be using water testing equipment and reagents and will follow the instructions of staff from Sea World to ensure I use these items safely;

My participation is at my own risk and without any liability attaching to Sea World if I am injured or damage or lose any property belonging to me;

I irrevocably release Sea World from any liability for death, personal injury, property loss or damage that may arise as a consequence of my participation in the Program;

I will comply with all lawful directions that Sea World staff may make in respect of my participation in the Program and will not interfere with their ability to conduct the Program in a safe and secure manner;
