Creating a Nightmare – Year Nine + Ten

Program Duration: 45 minutes

Minimum Participants: 20 Students

Program Overview:

The year Nine and Ten media arts program will have students building and refining their knowledge and skills necessary for media arts practises. Through the use of virtual reality, students will have the opportunity to analyse and evaluate the use of media arts elements including camera angles, sound and framing. Students will hear from renowned industry professionals to enhance their knowledge and skills from the initial planning stage to the final polished production. After seeing how these skills are applied, students will be well equipped to start experimenting with their knowledge and skills developed during this program accompanied by their prior knowledge for media arts.

Alignment with the Australian Curriculum:
